

Poly Mailers feature a wide range of protective products for the packaging industry including standard poly, utility and self-seal mailers that offer superior mailing capabilities. Designed to accommodate the needs posed by the ever-changing protective packaging industry, Poly Mailer products boast the following features:

- » **Manufactured with a sturdy, multi-layer blend of light-weight resin materials.**
- » **Tamper-resistant design engineered to withstand moisture, dirt, punctures and external stresses.**
- » **Biodegradable materials tested and verified by independent laboratories and international standardization bodies.**
